

cunliffe and waters

- * handmade - all products are produced by artisan maker Mandy Cunliffe and her dedicated team.
- * no contract manufacturing - these are all made in a small commercial kitchen in the yarra valley.
- * small batches - hand-stirred in french preserving pans using the best quality handcut fruit.
- * outstanding quality - arguably the highest quality australian jams commercially available today.
- * gold medal winner at the sydney royal fine foods show
- * samples available - taster jars and promotional material available. please ask!
- * high fruit content - so much more fruit to the jar than supermarket brands.
- * hand-filled jars allows for whole fruit chunks (not possible in machine filled regular supermarket brands)
