

## lime grove

- \* unique - cordial made from the juice of fresh squeezed, pesticide free limes
- \* direct from the grower - a value added product from the collett family lime grove in narromine nsw.
- \* low sugar - a very small amount of australian cane sugar is added to the juice (less than 9gms per serve )
- \* all natural - no artificial colouring or flavouring has been added at all
- \* unfiltered - a fine lime pulp is visible through the juice, adding to its fresh juice appeal.
- \* gluten free dressing - the salad dressing contains no vinegar, the acidity is all in the lime juice
- \* lime honey - created by bees cared for on the lime grove, this is the only lime flower honey available
- \* this product is classed as shelf stable for retail, but is best kept cool or refrigerated
