

## rosnay organic farms

- \* organic - certified organic produce grown biodynamically
- \* family owned - and operated by statham and sons, in canowindra near cowra, central west nsw.
- \* quality - the olives are tree ripened and left in brine for 6 months to pickle slowly without sulphur
- \* natural - sulfur and dye free
- \* divine texture - these olives have firm but ripe flesh which falls from the pip.
- \* lovely packaging - simply and elegantly packaged in jars, with a lovely label painted by florence statham.
- \* promotion - take 12 of each paste and receive a free sample jar for tasting
- \* delicious - these kalamatas are plump, delicious and organic
